

Lime Tree House encircled by a rainbow recently in the circle of Love

Lime Tree House Winter Newsletter

WE ARE HERE!

Lime Tree House is delighted to be here to provide Christian Science nursing care for those in need.

Some comments we have received from those staying here recently have been:-

“I felt so nurtured and supported”

“the best healing , supportive, caring, loving atmosphere; excellent care”

“The Christian Science nurses are outstanding “

Do call us if we can help or you want to discuss care needs.

Tel 0161 973 7956

Our Open day for 2023 has been moved to Spring 2024. More details will follow

It will be an in person event and we look forward to seeing you

We wish to thank everyone for your support.

We hope you enjoy reading our newsletter and sharing in this year's good.

We wish you all a blessed and peaceful Christmas

Christmas tree in the conservatory

Inspections

This year we received our full 3 year accreditation from the Commission for the Accreditation of Christian Science nursing Organisations / Facilities.

We have also been inspected by our local council, Trafford, and passed with flying colours with no requirements

More recently in August we were inspected by the Care Quality Commission (CQC). The inspector did not have any concerns from his two day visit and we await our rating.

We are hiring!

In order to continue to strengthen our team and provide the excellent training and mentoring for our Christian Science nurses we are looking to hire Journal listed Christian Science nurses who love training and mentoring or have a desire to work in Christian Science nursing management.

Gratitude for our staff

We are immensely grateful for our wonderful staff team. Their love, inspired dedication, and selfless service continue to be outstanding. Each member of the team has provided loving support to each other, making Lime Tree House a place of joy, progress and healing. It's a joy to work in a place where everyone is cherished and feels it!

Gratitude for our Board Members

Our board members continue to provide excellent and experienced support to the house.

We wish to thank Hazel Bishop CS and Alison Hughes CS who have both recently retired from the Board after many years of loyal and dedicated service. Their dedication, inspiration, love and professionalism have enriched Lime Tree House immensely.

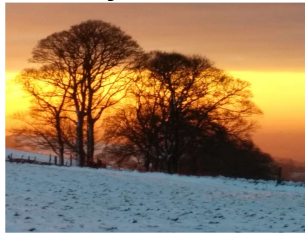

We are grateful to welcome Hugh Plummer from Newcastle upon Tyne who joined the Board earlier this year and brings a wealth of experience.

Our current board comprises of Ruth Kennedy (Chair), Hugh Plummer (Dep Chair), Gillian Fraser and Marian Hossell.

Working Together with Whitehaven

It's a joy to be continuing to work closely with the Whitehaven Visiting Christian Science Nursing Service to meet Christian Science nursing needs. We are also now working together to support trainees to have mentoring in both services which is a blessing for everyone!

Christian Science Nurses Training

We are offering training to Journal listed Christian Science nurses who wish to work in management positions, be instructors or mentors.

We are cherishing the growth of new managers and instructors for the future.

We are also delighted to see our training of Christian Science nurses growing as we continue to work with Le Verger Christian Science Nurse Education Programme.

This year we have welcomed three new Level 1 trainee Christian Science nurses to our team. Another trainee has just completed their level 4 class to enable them to become listed in the Christian Science Journal.

We have also provided some specialised mentoring on an individual basis.

If you are interested in any aspect of Christian Science nurses training please do be

in touch with our Deputy Manager and Le Verger Instructor, Wendy de la Harpe at wendydelaharpe@gmail.com

Visit from our friends around the world!

In April this year the Christian Science Nursing Association UK held a conference in Manchester, which all our Christian Science nurses, Board Members and Administrator attended.

This was a wonderful and inspiring event with speakers from the UK, South Africa and the USA, including the Manager and Assistant Manager of Christian Science Nursing Activities at The Mother Church.

Many of these visitors came to Lime Tree House for afternoon tea and to see our facility, and our wonderful ceiling hoist equipment and turning beds and were so impressed (and a little jealous of these wonderful turning beds!)

The Scones were a definite hit 😊
